

# Let Buckman bring a new level of quality and efficiency to your tissue and towel operation.

You want softness in your tissue, not in your chemical solutions provider.

That's why Buckman provides strong support for your entire Yankee creping operation, solving problems and creating the opportunities that lead to a better tissue and more efficient tissue making. We'll meet the requirements of your machine, your grades, and your budget.

# Benefit from Buckman's industry-leading Yankee innovations.

With unparalleled expertise, patented chemistries, and advanced technology, Buckman can improve your dry crepe, wet crepe, or advanced technology tissue and towel operation.

### **Get optimum Yankee** performance

- Adhesives
- Releases
- Modifiers: oil-based and surfactant-based
- Protection
- Softeners
- Debonders
- Absorbency aids
- Stickies control
- VOC reduction

#### Rely on our technical excellence

Rely on our technical excellence to help your operation:

- Achieve bulk and softness improvements
- Low and high temperature Yankee applications
- Solve reel build issues like corrugation, ragged edges and profile

- Leverage your Yankee coating for grade development
- Low moisture creping
- Pursue crepe ratio optimization

## Achieve money- and time-saving efficiency

- Maximize creping doctor blade life
- Prevent doctor blade chatter marking
- Extend Yankee grind cycles
- Minimize energy consumption
- Optimize productivity
- Increase blade life

#### Receive global support

On-site technicians, supported by our global network of creping experts, provide comprehensive service as well as training to help your production crews with creping dynamics and chemistries. All so you can realize the maximum benefit from our Yankee management strategy.

### Take advantage of our other chemistries for creped grades

- Microbiological control
- Deposit control
- Defoamers

- Felt and wire treatments
- Boilouts
- Fiber Modification Enzyme technology for strength and energy efficiency
- Charge control
- Retention/drainage/formation programs

#### Learn more

Making better tissue starts with hiring a better chemical company. Find out more about Buckman's superior Yankee creping programs. Contact your local Buckman representative, or visit us online at buckman.com.

This is not an offer for sale. The product shown in this literature may not be available for sale and/or available in all geographies where Buckman is represented. The claims made may not have been approved for use in all countries. Buckman assume no obligation or liability for the information. Please contact your Buckman sales representative for more information.

Seller warrants that this product conforms to its chemical description and is reasonably fit for the purpose referred to in the directions for use when used in accordance with the directions under normal conditions. Buyer assumes the risk of any use contrary to such directions. Seller makes no other warranty or representation of any kind, express or implied, concerning the product, including **NO IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS OF THE GOODS FOR ANY OTHER PARTICULAR PURPOSE.** No such warranties shall be implied by law and no agent of seller is authorized to alter this warranty in any way except in writing with a specific reference to this warranty.
