CADET, MISSOURI

MEMPHIS, TENNESSEE

SUMARÉ, BRASIL

### SERVICES OFFERED

- Blending
- Packaging & relabeling
- SOP development
- QC lab analysis
- Supply of raw material
- Stuffing & unstuffing of 20' and 40' containers
- Feasibility study
- Lab scale sample
- Pilot batch

# MANUFACTURING FACILITIES

GHENT, BELGIUM

SHANGHAI, CHINA

SINGAPORE

HAMMARSDALE,  
SOUTH AFRICA

## CHEMICALS HANDLED

- Simple and complex blends
- Chemical agents / additives
- Cleaners / surface active agents
- Inorganic chemicals
- Organic chemicals
- Polymers
- Reagents
- Solvents

## PRODUCTION CAPABILITIES

- Stainless steel atmospheric jacketed blending vessel capacity between 2MT to 10MT
- Pilot scale
- Auto process temperature control using chiller (5°C) and hot water system (95°C) with PLC
- Exothermic and endothermic reaction
- PLC control system
- Labelling and palletizing using robots
- Auto filling machine
- City water as well as DI water supply
- Lean manufacturing
- Zero liquid discharge facility
- Experienced and skilled production & process technicians
- Packaging
- Repacking

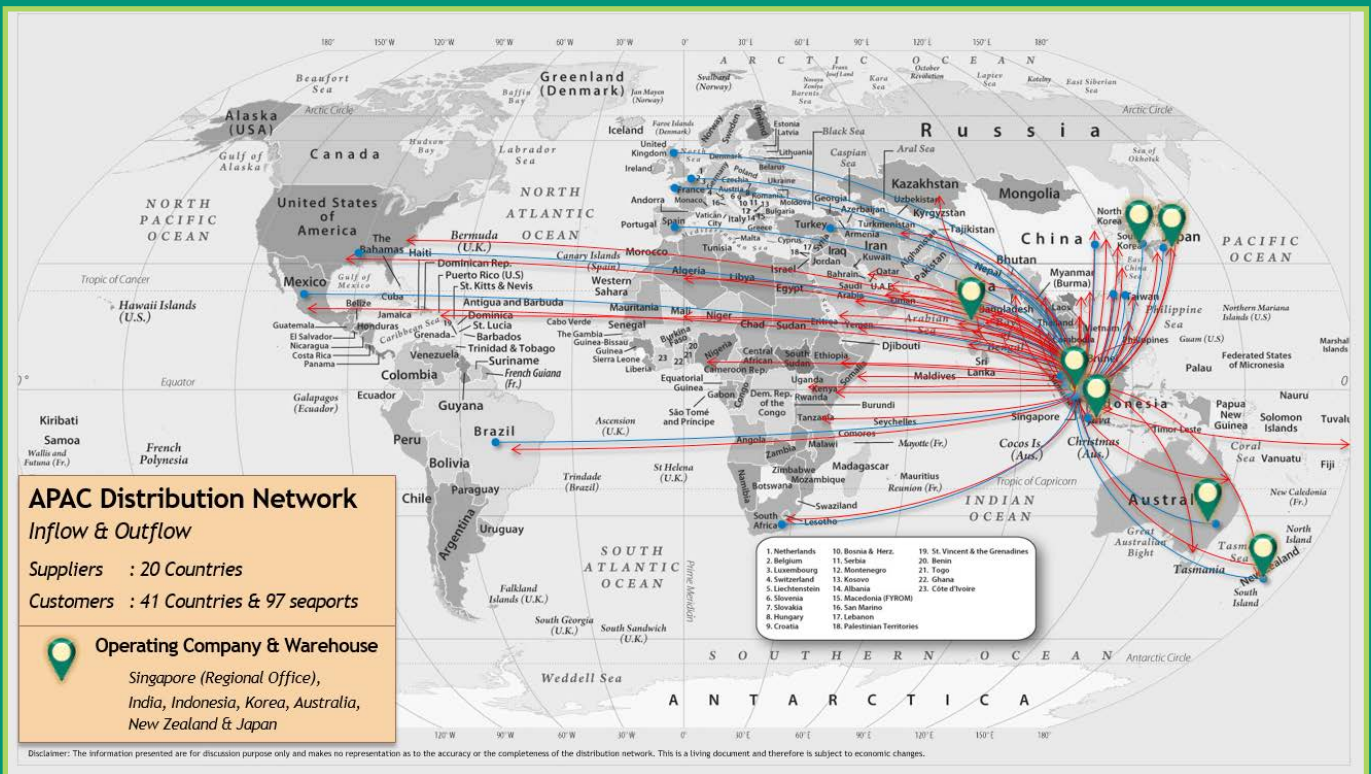

## Our Service as Custom / Toll Manufacturing

- Buckman offers custom manufacturing services to customers and suppliers worldwide.
- With years of chemical manufacturing experience and technical expertise, coupled with a proven track record in providing quality products, Buckman is an ideal toll service provider.
- Outsourced manufacturing can save money in a number of ways. It cuts the cost of maintaining production facilities, purchasing raw materials, hiring labor, and ensuring regulatory compliance. Without the worry and expense of a manufacturing facility, customers can focus more resources on their core business.
- Buckman provides flexible manufacturing capabilities based on customer-specific requirements. Our world-class production facilities are managed by specialists and engineers with expertise in the specialty chemical industry.

## APAC Regional Distribution Network

We operate over 7 warehouses in APAC, providing customized services for customers in 41 countries. Our extensive distribution network assists in minimizing overall costs and delivery time.
