THE FIRST ANAB ACCREDITED REGISTRAR ESTABLISHED 1991

This is to certify that the management system of:

Buckman Laboratories, Inc.

Client Number: 9118-A
1256 North McLean Boulevard
Memphis, TN 38108

Has been assessed and certified as meeting the requirements of:

ISO 9001:2015 / ISO 14001:2015 / ISO 45001:2018 INT.

This certificate of registration remains valid subject to satisfactory surveillance audits for the following activities:

Integrated Scope:

The scope of the ISO 9001, ISO 14001, and ISO 45001 compliant management system for Buckman Laboratories, Incorporated, Memphis Plant, includes the activities, products, and services of the manufacturing and scale up plants, quality control laboratory, warehouses, and maintenance shop at 1256 North McLean Boulevard in Memphis, Tennessee.

The Memphis plant manufactures, packages, and distributes chemicals for the pulp and paper, water treatment, leather, and various performance chemical industries. These chemistries include microbicides, enzymes, polymers, emulsions, and other specialty products. The activities of the Memphis Plant Operation also include customer service, raw material purchasing, quality control, maintenance, logistics, production planning and compliance support functions needed to manage this scope.
