

**BULAB[®]
6169**

**Protect your products, your customers,
and your success.**

Sanitize and disinfect with Bulab[®] 6169 from Buckman.

Your industry requires sanitary conditions; your business thrives on them. Make sure your work environments are clean with Bulab 6169. Our highly active, broad-spectrum formula disinfects, sanitizes, and deodorizes. It can be used in many food processing, health care, and hospitality environments and on a wide variety of surfaces, from food processing equipment to floors where sanitary walk-throughs are necessary. With Bulab 6169, you've got a reliable and versatile cleaner that helps your day-to-day operation stay healthy.

Use Bulab[®] 6169 where sanitary conditions matter most.

Protect your company from the germs that can slow down success. Bulab cleans what you can see and what you can't, controlling mildew, killing viruses, and eliminating odors. It's a multi-purpose sanitizer that gives you real peace of mind.

Approved for sensitive environments

Bulab 6169 has been cleared by the FDA in 40 CFR § 180.940 for use as a sanitizer on food processing equipment, utensils, and other food contact articles. It also meets AOAC Germicidal and Detergent Test Standards for food contact surface sanitizers.

Bulab 6169 is ideal for:

- Federally inspected meat and poultry processing plants
- Mushroom plants, egg processing, and other food processing plants
- Food prep and storage (available as Kosher Certified)
- Dairies
- Breweries
- Restaurants
- Hospitals and nursing homes
- Hotels
- Farms
- Kennels

Multi-surface versatility

Bulab 6169 is formulated for superior performance on hard, nonporous environmental surfaces, including:

- Floors
 - Use as floor spray in clean room access areas
- Walls
- Stainless steel and other metals
- Glazed porcelain
- Glazed ceramic tile
- Plastic

Bulab 6169 is noncorrosive to most plastics, metals, and natural rubber.

Easy application

Bulab 6169 can be applied with a mop, cloth, or sponge. In addition, it can be applied using a low-pressure coarse sprayer or a hand pump trigger sprayer.
