

## EMERGENT MARKETS

Buckman is a specialty chemical company that pushes the boundaries of performance - for your products and your results. We offer the vast resources of a global network, with scientists in the lab to digital solutions on site, to help you find new opportunities to become more competitive.

**Continuous improvement. Superior results. That's the promise of Buckman Emergent Markets.**

**KATY BOYLAN (MANAGER) - [koboylan@buckman.com](mailto:koboylan@buckman.com)**
